Dear Bill:

It is some time since we have had a visit, as I was in the northwest during your short stay at Pebble Beach. I was at Cypress Point yesterday, trying to hit some golf balls and found among other things, an unfamiliar golf glove. If you remember leaving one in my bag, I will gladly send it on. Please advise.

I will be in Washington and will arrive at the Madison Hotel on the evening of Wednesday, November 17th, remaining until Saturday morning, the 20th. I hope you will be at Langley so that we can have a visit, as there are many subjects I would like to discuss with you. As you probably learned from Walt Elder, I have just returned from a three and a half week trip to Europe, involving visits in Portugal, France, Belgium and Germany and have picked up gossip here and there which may be of interest.

Please have Betty or Doris contact my secretary, Chris Balog, to establish a date, should you have an open time on your all too busy calendar. I will look forward to hearing from you by a note to the above address or by telephone, [redacted]
